

NOTIFICATION

Jawahar Science College invites proposals from Agencies/Organisations/Institutions who have better reputation in **Skill Development Training and Employability skills Training exclusively for College students.**

Proposals are invited both for Short Term/Long term courses (Weekend / After college - Session after 2.30 P.M.) in the said areas.

The main objective of the Training is to focus on **Communication Skills, Employability Skills, Soft Skills Training and Computer Skills** for the betterment of the Students.

The interested Agencies/Organisations/Institutions may submit a brief report on the content of their training and the cost for the training and study materials to the college Secretary on or before 10.12.2019.
