College Profile

Jawahar Science College, Neyveli, an unaided self-financing private College and a Centre for Higher Education is a unit of the renowned Jawahar Education Society. The College was established during 1987with the generous help and co-operation of the NLC India Ltd., The CMD of NLC India Ltd., is the Chief-Patron and all other functional Directors of NLC India Ltd., are patrons of Jawahar Science College, which is administered by a Governing Council. This co-educational College is affiliated to the Thiruvalluvar University, Vellore.

Jawaharlal Nehru declared that the future belongs to Science and to those who make friends with Science. With such broad and deep vision, the college was started with job-oriented courses in Science, Arts and Management. Such courses will instill faith and self-confidence in young people stepping into the world of competition and demand.
